UNIT 5 FOOD – MY FAVOURITE MEAL

Read about Leila's favourite meal and answer the questions. The solutions are in the video.

Hello! My name is Leila and I love food. I live in the UK, but my family is from Morocco. We often cook Moroccan food at home.

For breakfast, I eat toast with honey or cheese. Sometimes I drink tea with milk. At school, I eat lunch with my friends. I like sandwiches, apples, and yoghurt. My favourite lunch is pasta with vegetables.

In the evening, we eat dinner together as a family. My mum cooks couscous with chicken and vegetables. It's delicious! My little brother doesn't like vegetables, but he loves chips.

On Fridays, we sometimes eat pizza or go to a restaurant. I like trying new food from different countries.
