UNIT 11 PLACES TO GO – A DAY IN THE CITY

Read about Leo's adventure holiday and answer the questions. The solutions are in the video.

Hi, I'm Leo, and last summer I went on an adventure holiday with my family in Wales. It was amazing!

We did something different every day. On Monday, we went hiking in the mountains. The weather was sunny, and the view was beautiful. On Tuesday, we tried caving — it was dark and cold inside the cave, but very exciting!

We also went biking through the forest, and camping next to a river. At night, we made a fire and told stories. My favourite day was Friday: we did snorkelling and scuba diving at the beach! We saw colourful fish and even a small octopus.

It was one of the best holidays I've ever had!

UNIT 11 PLACES TO GO – A DAY IN THE CITY

Read about Emily's city day and answer the questions. The solutions are in the video.

Hello! I'm Emily, and last weekend I went on a trip to London with my aunt. In the morning, we visited a big museum full of dinosaurs and space exhibits.

It was really interesting! After that, we walked to the art gallery to see some modern paintings. I liked one with only red and yellow shapes.

We had lunch near the river Thames and took photos of a famous monument – Big Ben! In the afternoon, we went to the theatre to watch a play. It was funny and exciting, and the actors were great.

I had a brilliant day and want to go again soon!

1 Where did Emily have lunch?

2 True or False? Emily visited the art gallery before the museum.

3 True or False? She saw a dinosaur exhibit.

4 What did Emily and her aunt watch at the theatre?

5 Emily took photos of a famous _____ called Big Ben.
