UNIT 4 PARTS OF THE BODY – FROM HEAD TO TOE

Read about Marco's family and answer the questions. The solutions are in the video.

My name is Marco, and I live with my family.
Let me tell you about them.

My little sister Leila is five years old. She is short and has long, dark hair. Her hair is straight, and she has big brown eyes.

My grandmother is old but very kind. She has short, grey hair and wears glasses. She is a bit plump and not very tall. She has blue eyes and a soft voice. I like to sit with her and read.

My dad is tall and has straight black hair. He has a beard and strong legs because he goes running every morning. His eyes are green, and his teeth are very white because he brushes them carefully.

Everyone in my family looks different, but I love them all!
