UNIT 3 FURNITURE – MY ROOM

Read about Amina's room and answer the questions. The solutions are in the video.

Hello! My name is Amina and this is my room. There is a bed next to the window. The window has blue curtains. Next to the bed, there is a desk and a chair. On the desk, I have a lamp, a book, and my laptop.

There is a bookcase next to the desk. I keep my books and games in it. Above the desk, there is a shelf with a picture of my family. I also have a soft rug on the floor.

In the corner of the room, there is a small sofa and an armchair. I like to sit there and read. My wardrobe is near the door. My clothes are in the wardrobe.

My favourite part of the room is the armchair. It's very comfortable!

UNIT 3 ROOMS – THIS IS MY HOUSE

Read about Ella's room and answer the questions. The solutions are in the video.

Hi! My name is Ella and I live in a house with my family.
Our house has many rooms.

In the morning, I wake up in my bedroom. I get dressed and go to the bathroom to brush my teeth. Then I go to the kitchen.
My mum makes breakfast there.

After breakfast, I put on my shoes in the hall. Then I go to school. In the afternoon, I play video games in the living room or read a book.
My dad keeps his tools in the garage. There is also a toilet next to the bathroom. We only use it when someone is in the bath or shower.
I like my house. My favourite room is the living room because we all sit there together.
