Read about the Sports Day and answer the questions.
The solutions are in the video.

Last Friday, we had our Sports Day at school. It was so much fun!

In the first race, I came third. I was a bit slow at the start, but I ran faster at the end. My friend Olivia was very fast – she came first in that race.

In the second event, the long jump, I came second! I was so happy. My teacher gave me a silver sticker.

Then we had the final race. It was the relay race. Our team came fourth, but we tried our best.

At the end of the day, we all got juice and a medal for taking part. I can't wait for next year!

UNIT 9 MONTHS – MY FAVOURITE MONTHS OF THE YEAR

Read about Joshua's favourite months and answer the questions. The solutions are in the video.

LHi, I'm Joshua. I like all the months of the year, but I have some favourites.

My birthday is in March, so I always look forward to spring. The weather starts to get warmer, and the flowers begin to grow. In April, we often have rain, but I don't mind – I like wearing my raincoat and boots!

July and August are also great because we have the summer holidays. My family usually goes on holiday in August, and I can go swimming every day. I don't like November very much. It's cold and dark, and school days feel very long.

But in December, everything is fun again. I love Christmas and spending time with my cousins.

The solutions are in the video.

Hi! I'm Amina and I love keeping a calendar. I write down all the important dates so I don't forget anything.

My birthday is on the 12th of May. This year, I'm having a party at the park. My friend Leo was born on the 5th of May, so we sometimes celebrate together.

We also have fun school events. Our school trip is on the 20th of June. We're going to a museum and then to a zoo. I can't wait!

Another exciting day is the 1st of December. That's when we start the Christmas countdown at school. We sing songs and decorate the classroom.

I also like 21st October – it's my cousin's birthday and we always bake a big cake. There are so many special days to enjoy!
