UNIT 7 FAMILY MEMBERS – THIS IS MY FAMILY

Read about Layla's family and answer the questions.
The solutions are in the video.

Hello! My name is Layla and I live in London with my family.
I have a big family, and I love them very much.

I live with my mum, dad, and my younger brother, Adam. My mum is a doctor and my dad is a teacher. My brother is ten years old. He likes playing football and video games.

My grandparents live near us. We often visit them on Sundays. My grandma makes delicious cakes, and my grandpa tells funny stories.
I also have an aunt and uncle who live in Manchester. They have two children – my cousins, Nora and Sami. We see them during the holidays.
We always play games and go to the park together.
I love my family. They are kind, funny, and always there for me.

1 How old is Layla's brother?

2 What jobs do Layla's parents have?

3 When do they visit Layla's grandparents?

4 Where do Layla's aunt and uncle live?

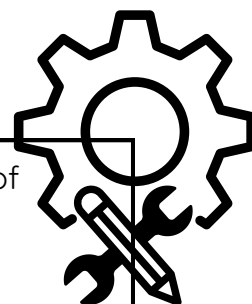

5 What are the names of Layla's cousins?

UNIT 7 ABILITIES – I CAN / I CAN'T

Read about Tom and answer the questions.
The solutions are in the video.

Hello! My name is Tom, and I love sports. I'm 12 years old and I do a lot of activities after school.

I can play football very well, and I'm in the school team. I can also swim, but I don't swim very fast. I can ride a bike, and at the weekend I go cycling with my dad.

But there are some things I can't do. I can't ride a horse, and I can't skate – I always fall over! I want to learn one day.

My best friend Max can skate and do tricks, but he can't play football. We help each other and have lots of fun together.

1 True or False? Tom is in a football team.

2 True or False? Tom can swim very fast.

3 True or False? Tom goes cycling with his mum.

4 True or False? Max can skate and do tricks.

5 True or False? Max can play football better than Tom.
